# Letter from the Directors

To each and every one of you,

As the saying goes, “Gratitude is like gravy – put it on everything!” So we pour out our heartfelt thanks to you for choosing Infinity Dance as your studio home.

Your patronage, your presence, your reviews and your shares on our social media – all of these efforts support growing our small town boutique studio. You and your dancers kind words of appreciation and encouragement makes what we do a joy every single day.

As we sit at the front desk writing this, listening to all of the wonderful Christmas songs and watching your dancers work so hard to perfect their special holiday numbers, we are reminded of how grateful we are to have you in our studio family circle.

Infinity Dance is rooted in special friendships, a healthy positive atmosphere and supportive growth. You, your dancers and our talented staff are the ones who bring it to life. Every day we are blessed with the new energy, new excitement, and new friends you bring to our studio.

We are proud to share 'Clara's Nutcracker Dream' with all of you and hope it becomes part of your families special holiday traditions as it has for us.

We wish you all the best blessings this holiday season and the year to come.

Can't wait to grow with you in 2024!

Warmest Regards,  
Gina Chanos &  
Carissa Nichols
